Dear Mr. Chairman,

I'm a very proud employee within your Organization.

This is an e-mail I got from a friend who does not know where I work.

I think that for the 1st. ever in my life (after the death of president NASSER -although I was born after his death-) that someone in the Arab world is making me feel proud. (I'm not saying this because I wanna impress you or anyone at TAGI), its only because I was raised as a fighter who does not believe that we should give up easily.. When you have a cause then you die for it & I'm willing to do anything possible to stop this horrible corruption we have in Jordan.

I think that you are fighting the battle of Jordanians (who are not cheap and willing to sell anything or themselves for the sake of money). I have many many things that I wanna say **BUT CANT EXPRESS MYSELF NOW..**

You are teaching the coming generations (& they **are** corrupted) the method & way to fight for their rights. **DO NOT GIVE UP COZ YOU ARE REPRESENTING MANY OF US WHO DO NOT HAVE THE WILL OR GUTTS TO SPEAK.** I am a person who is willing to speak & dont care about our corrupted government or **CORRUPTED . . . . .**

At amaneh.net one of the jordanian people had a nice idea, **LETS PRINT SOME FLAGS OR STICKERS FOR PEOPLE WHO BELIEVE IN US & TRY TO MAKE A DIFFERENCE.**

Lets fight the battle all of us in Jordan are willing to fight although we are afraid. **YOU SIR IS A LITTLE LIGHT AT THE END OF THE TUNNEL WHO IS NOT CORRUPTED & NOT WILLING TO SELL HIM SELF FOR \$\$\$\$**

I know the guy in charge of Abdali Project & he is married to my cousin. I know how broke he was till he met . . . & became a millionaire only because he is corrupted like . . . sorry for being like this sir.....

Respectfully  
J.A.S.
